

**RHODE ISLAND FRUIT GROWERS**  
Since 1913

There are over 1200 commercial farms throughout Rhode Island. With a diverse mix of pastures, field crops, orchards, nurseries, aquaculture, woodlands, and wetlands, Rhode Island agriculture helps to support the local economy and preserve our landscapes.

Our farmers are supported by URI and a mix of agriculture-related groups such as RI Fruit Growers Association, RI Nursery & Landscape Association, RI Raised Livestock Association, RI Farm Bureau, and RI DEM Division of Agriculture. Together, these groups aid farmers in research and ongoing field work in an effort to sustain local farms.

# 2015 FARM SCAVENGER HUNT

Looking for a little fun and adventure this growing season? The RIFGA's Farm Scavenger Hunt will send you down country roads leading to some of the state's most picturesque farms, not to mention some of the freshest locally-grown fruits and vegetables around!

**How to Play:** Locate the game board on the inside of this brochure. It features a map with picture clues representing the 32 participating RI farms. Begin the adventure by visiting a farm indicated on the map and match the picture clue with the farm. Once you have figured it out, the farmer will give you a signature sticker to be placed in the circle of the correct picture. To be eligible for a prize, you must visit at least 20 farms. Have fun, keep playing, and enjoy the adventure by visiting all 32 farms. **Note: Be sure to confirm each farm's operating hours before heading out to visit.**

## 2 Ways to Win:

**Farm Explorer** - Visit a minimum of 20 participating farms and match the correct picture clue with each farm. The first 50 correct entries win a prize pack.

**Farm Voyager** - Visit all 32 participating farms and match the correct picture clue with each farm. The first 50 correct entries win an even bigger prize pack. All Farm Voyagers will be entered into the Grand Prize drawing.

When you have completed your journey, fill out the "Player Information Form" and mail this brochure to:
